I. INTRODUCTION

The mission of Erie Canal Harbor Development Corporation (“ECHDC”) is to revitalize Western New York’s waterfront and restore economic growth to Buffalo based on the region’s legacy of pride, urban significance and natural beauty.

I. OVERVIEW

For more than a decade, Erie Canal Harbor Development Corporation (“ECHDC”), a subsidiary of Empire State Development, has spearheaded projects along Buffalo’s waterfront to help the City and Western New York realize a vision of renewed prosperity. The work ECHDC is doing at Canalside and the Outer Harbor- including newly developed waterfront access, new buildings, public spaces, events and activities where there once were none - are helping to drive the area’s resurgence.

On September 12, 2016, ECHDC’s board of directors approved transfer of the First Buffalo River Marina located at 32 Fuhrmann Boulevard, Buffalo, NY, 14203 (“the Site”), which was fully transferred in December of 2016. Since the beginning of the 2017 boating season, ECHDC and the marina management teams have successfully contracted for marina management, operations and maintenance responsibilities in return for a combination rent/percentage of revenue.

ECHDC is pleased to issue this request for proposals (“RFP”) for the operation and maintenance of a private marina and certain adjacent real estate at the Site, on the Buffalo City Ship Canal. In total, the Site is an approximately 13-acre area, which includes 2000 square feet of water frontage. The Site, as more fully described and illustrated in the Site Summary, consists of a 115-slip boat marina, outdoor storage for approximately 200 boats, a boat launch pad, administration building, approximately 100 spaces for trailer parking and/or public patrons and an attached service building/concrete pad. The Site is also immediately adjacent to The Bike Ferry Landing, Wilkeson Pointe, Times Beach Nature Preserve and nearby U.S. Coast Guard Base/Buffalo Lighthouse.

Geographically, the Site is located on the western edge of the City and directly across from Canalside Buffalo. It is less than five miles from the City’s downtown and is situated on the Buffalo River, facing westward to the lake and daily sunset. These lands comprise part of the City’s Outer Harbor, an area of significant recent and planned future investment. (*See Exhibit A – Site Map*).

This RFP represents a valuable, long-term opportunity to operate an ideally located and extremely popular marina, while participating in the broader economic investment by both public and private entities. ECHDC is currently investing \$200,000 back into the marina to improve service and operations. Between 2014 and 2019, ECHDC invested \$15 million to create Wilkeson Pointe and the Lakeside Bike Park, along with expanding multi-use trails and adding public amenities. ECHDC will continue its highly impactful redevelopment of Buffalo’s waterfront as it implements the next phase of Outer Harbor capital improvements, including the investment of over \$44 million at Terminal B, Bell Slip, Slip No. 3, and Wilkeson Pointe. Several projects are already underway and ECHDC expects to complete all landside improvements by the Fall 2025. The capital improvements highlight an ongoing endeavor to provide access and activation of public space with increased bike and pedestrian access, comprehensive signage, and the overall revitalization of the long abandoned public spaces on the Outer Harbor. The public improvements,

coupled with continuing private investment and interest, highlights the return of this magnificent stretch of Buffalo's waterfront to a place desired by those from near and far.

MWBE & SDVOB Subcontractor Interest

New York State certified Minority- and Women-Owned Businesses (MWBEs) and Service Disabled Veteran Owned Businesses (SDVOBs) may request that their firm's contact information be included on a list of MWBE and SDVOB firms interested in serving as a subcontractor for this procurement. The listing will be publicly posted on ESD's website for reference by the bidding community. A firm requesting inclusion on this list should send contact information and a copy of its NYS MWBE or SDVOB certification to FirstBuffaloRiverMarinaOperatorRFP@esd.ny.gov. Nothing prohibits an M/WBE Vendor from proposing as a prime contractor.

II. SCOPE OF WORK

It is intended that the Designated Operator will begin its operation of the Site (***See Exhibit A – Site Map***) at execution of an agreement ("Contract") for a period of ten years with an option for two individual, five year renewal options at the sole discretion of ECHDC.

It is expected that, at minimum, a revenue proposal/commitment will include, but not be limited to, a base rent, percentage of net revenue share and operator capital investment plan under the agreement (***See Exhibit B – Pro-Forma***). ii. State Finance Law Sections 139-j and 139-k forms

State Finance Law Sections 139-j and 139-k (collectively, the “Procurement Requirements”) apply to this RFP. These Procurement Requirements: (1) govern permissible communications between potential Bidders and ESD or other involved governmental entities with respect to this RFP; (2) provide for increased disclosure in the public procurement process through identification of persons or organizations whose function is to influence procurement contracts, public works agreements and real property transactions; and (3) establish sanctions for knowing and willful violations of the provisions of the Procurement Requirements, including disqualification from eligibility for an award of any contract pursuant to this RFP. Compliance with the Procurement Requirements requires that all communications regarding this RFP, from the time of its issuance through final award and execution of any resulting contract (the “Restricted Period”), be conducted only with the designated contact persons listed above; the completion by Bidders of the Offeror Disclosure of Prior Non-Responsibility Determinations, and the Offeror’s Affirmation of Understanding and Agreement pursuant to State Finance Law (each form is accessible at the Required Forms for Vendors link at the ESDC web site under “RFPs/RFQs”); and periodic updating of such forms during the term of any contract resulting from this RFP.

Bidders must submit the Offeror Disclosure of Prior Non-Responsibility Determinations, and the Offeror’s Affirmation of Understanding and Agreement pursuant to State Finance Law as part of their submittal. Copies of these forms are available at:

https://esd.ny.gov/CorporateInformation/Data/RFPs/RequiredForms/SF_Law139_JK.pdf.

The Procurement Requirements also require ESD staff to obtain and report certain information when contacted by Bidders during the Restricted Period, make a determination of the responsibility of Bidders and make all such information publicly available in accordance with applicable law. If a Bidder is found to have knowingly and willfully violated the State Finance Law provisions, that Bidder and its subsidiaries, related or successor entities will be determined to be a non-responsible Bidder and will not be awarded any contract issued pursuant to this solicitation. In addition, two such findings of non-responsibility within a four-year period can result in debarment from obtaining any New York State governmental procurement contract. The designated contact account for this solicitation is referenced on the cover of this RFP.

This is not a complete presentation of the provisions of the Procurement Requirements. A copy of State Finance Law Sections 139-j and 139-k can be found at:

Further, the Respondent must show satisfactory performance of all prior government contracts. Accordingly, the contract to be entered into between ESD and the Respondent, if any, shall include clauses providing that the Respondent remain “responsible” throughout the term of the contract, that ESD may suspend the contract if information is discovered that calls into question the responsibility of the contracting party, and that ESD may terminate the contract based on a determination that the contracting party is non-responsible. On request, model language to this effect will be provided to any Respondent to this RFP.

To assist in the determination of responsibility, ESD requires that all Bidders register in the State's Vendor Responsibility System (“Vend-Rep System”). The Vend-Rep System allows business entities to enter and maintain their Vendor Responsibility Questionnaire information in a secure, centralized database. New York State Procurement Law requires that state agencies award contracts only to responsible vendors. Bidders are to file the required Vendor Responsibility Questionnaire online via the Vend-Rep System or may choose to complete and submit a paper questionnaire. Please include a copy of your Vend-Rep submission receipt or paper questionnaire with your proposal.

To enroll in and use the Vend-Rep System, see the System Instructions available at www.osc.state.ny.us/vendrep or go directly to the Vend-Rep system online at <https://portal.osc.state.ny.us>. CERTIFIED MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES AND EQUAL EMPLOYMENT
OPPORTUNITIES FOR MINORITY GROUP MEMBERS AND WOMEN**

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations ESD is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises ("MWBs") and the employment of minority group members and women in the performance of ESD contracts.

Business Participation Opportunities for MWBEs

For purposes of this solicitation, ESD hereby establishes an overall goal of 30 percent for MWBE participation. A contractor ("Contractor") on any contract resulting from this procurement ("Contract") must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this RFP, the respondent agrees that ESD may withhold payment pursuant to any Contract awarded as a result of this RFP pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: <https://ny.newnycontracts.com>. For guidance on how ESD will evaluate a Contractor's "good faith efforts," refer to 5 NYCRR § 142.8.

The respondent understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the contract.

In accordance with 5 NYCRR § 142.13, the respondent further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a Contract resulting from this RFP, such finding constitutes a breach of contract and ESD may withhold payment as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

By submitting a bid or proposal, a respondent agrees to demonstrate its good faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State Contract System ("NYSCS"), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that a respondent may arrange to provide such evidence via a non-electronic method by contacting the Office of Contractor and Supplier Diversity ("OCSD") at OCSD@esd.ny.gov.

Additionally, a respondent will be required to submit the following documents and information as evidence of compliance with the foregoing:

- A. An MWBE Utilization Plan with their bid or proposal. Any modifications or changes to an accepted MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to ESD for review and approval.

ESD will review the submitted MWBE Utilization Plan and advise the respondent of ESD acceptance or issue a notice of deficiency within 30 days of receipt.

- B. If a notice of deficiency is issued, the respondent will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to OCSD at OCSD@esd.ny.gov, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by ESD to be inadequate, ESD shall notify the respondent and direct the respondent to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

ESD may disqualify a respondent as being non-responsive under the following circumstances:

- a) If a respondent fails to submit an MWBE Utilization Plan;
- b) If a respondent fails to submit a written remedy to a notice of deficiency;
- c) If a respondent fails to submit a request for waiver; or
- d) If ESD determines that the respondent has failed to document good faith efforts.

The successful respondent will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to ESD, but must be made no later than prior to the submission of a request for final payment on the Contract.

The successful respondent will be required to submit a quarterly MWBE Contractor Compliance & Payment Report to ESD, by the 10th day following each end of quarter over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

Equal Employment Opportunity Requirements

By submission of a bid or proposal in response to this solicitation, the respondent agrees with all of the terms and conditions [**SCHEDULE B - PARTICIPATION BY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES: REQUIREMENTS AND PROCEDURES**](#). The respondent is required to ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the respondent, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

The respondent will be required to submit a Minority and Women-owned Business Enterprise and Equal Employment Opportunity Policy Statement, OCSD-1, to ESD with its bid or proposal.

If awarded a Contract, respondent shall submit a Workforce Utilization Report and shall require each of its Subcontractors to submit a Workforce Utilization Report, in such format as shall be required by ESD on a QUARTERLY basis during the term of the Contract.

Pursuant to Executive Order #162, contractors and subcontractors will also be required to report the gross wages paid to each of their employees for the work performed by such employees on the contract utilizing the Workforce Utilization Report on a quarterly basis.

Further, pursuant to Article 15 of the Executive Law (the “Human Rights Law”), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and subcontractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

Diversity Practices

ESD has determined, pursuant to New York State Executive Law Article 15-A, that the assessment of the diversity practices of Bidders is practical, feasible, and appropriate. Accordingly, Bidders shall be required to include as part of their response to this procurement the Diversity Practices Questionnaire (See Appendix E).

PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED SERVICE-DISABLED VETERAN-OWNED BUSINESSES

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOBs”), thereby

further integrating such businesses into New York State's economy. ESD recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of ESD contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders/Contractors are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

For purposes of this procurement, ESD conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Contractor. Nevertheless, Bidder/Contractor is encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials.

The directory of New York State Certified SDVOBs can be viewed at:

<https://online.ogs.ny.gov/SDVOB/search>.

Bidder/Contractor is encouraged to contact the Office of General Services' Division of Service-Disabled Veteran's Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the Contract.

viii. Encouraging the Use of NYS Businesses in Contract Performance Form

New York State businesses have a substantial presence in State contracts and strongly contribute to the economies of the state and the nation. In recognition of their economic activity and leadership in doing business in New York State, Bidders for this ESD contract for commodities, services or technology are strongly encouraged and expected to consider New York State businesses in the fulfillment of the requirements of the contract. In order for ESD to assess the use of New York State businesses in each Proposal, ESD requests that each Respondent complete the Encouraging Use of New York State Businesses in Contract Performance form, accessible here: <http://esd.ny.gov/CorporateInformation/Data/ENCOURAGINGUSEOFNEWYORKSTATEBUSINESSESINCONTRACTPERFORMANCE.pdf>.

ix. Certification under State Tax Law Section 5-a

Any contract resulting from this solicitation is also subject to the requirements of State Tax Law Section 5-a ("STL 5-a"). STL 5-a prohibits ESD from approving any such contract with any entity if that entity or any of its affiliates, subcontractors or affiliates of any subcontractor makes sales within New York State of tangible personal property or taxable services having a value over \$300,000 and is not registered for sales and compensating use tax purposes. To comply with STL 5-a, all Bidders to this solicitation must include in their Proposals a properly completed Form ST-220-CA (http://www.tax.ny.gov/pdf/current_forms/st/st220ca_fill_in.pdf), or an affidavit (http://esd.ny.gov/CorporateInformation/Data/RFPs/RequiredForms/STL_5A_Affidavit.pdf) that the Respondent is not required to be registered with the State Department of Taxation and

Finance. Also in accordance with the requirements of STL 5-a, any contract resulting from this solicitation will require periodic updating of the certifications contained in Form ST-220-CA. Solicitation responses that do not include a properly completed ST-220-CA will be considered incomplete and non-responsive and will not be considered for contract award. Only the prime consultant completes Form ST 220-CA, but Schedule A to Form ST 220-CA requires detailed information from the sub-consultants, such as tax ID number, etc., if applicable. Moreover, if applicable, certificates of authority must be attached by the prime consultant and all the sub-consultants.

x. Schedule A

Following final selection of a Respondent, ESD will prepare a contract defining all project terms and conditions and the Respondent's responsibilities in conformance with Schedule A. A sample can be found at: https://esd.ny.gov/sites/default/files/ScheduleA-Services_Materials-3818.pdf

Please note Bidders do not need to complete the entire Schedule A with the submission of their Proposal. However, Bidders should still review these terms, which are standard in all ESD contracts, and raise any concerns present prior to submission of their Proposal, as successful Bidders will need to accept these terms prior to contract execution.

xi. Project Sunlight

This procurement is subject to the Public Integrity Reform Act of 2011. Under the Public Integrity Reform Act of 2011, "appearances" (broadly defined and including any substantive interaction that is meant to have an impact on the decision-making process of a state entity) before a public benefit corporation such as ESD by a person (also broadly defined) for the purposes of procuring a state contract (as contemplated in this RFP) must be reported by ESD to a database maintained by the State Office of General Services that is available to members of the public. If in doubt as to the applicability of Project Sunlight, Bidders and their advisors should consult the Laws of 2011, Ch. 399 for guidance.
